The GSA Secretary shall record minutes at these meetings and post them on the GSA website.
There shall always be time, provided for in the meeting’s agenda, for general discussion, comments, and questions.

**ARTICLE IX – PROCEDURE FOR FUNDING GSA EVENTS**

**SECTION 1: ELIGIBILITY**

A GSA event is defined to be any nonacademic event that is open to the entire GSA community. Any member of the GSA may request funding for a GSA event during the academic year.

**SECTION 2: REQUESTING FUNDS**

Any individual requesting funds for a GSA event must submit a “Funding Request Form.” These request forms can be located and submitted online at the GSA website. It is suggested that this form be submitted at least two weeks before the scheduled event.

**SECTION 3: ALLOCATING FUNDS**

After receiving the funding request, the Treasurer shall inform the President and Vice President of the request within 48 hours. These three elected officials will then have one week to make a decision regarding the request, by majority vote. During this time, the officers may contact the requesting party to obtain information relevant to the event. The final decision will be communicated to the requesting party by the GSA Treasurer.

An approval for funding grants funding to the event. The GSA officers may decide to grant less funding than originally requested. Even if fewer funds are allocated to the event, it will still be deemed an approval for funding. Approval for funding is given under the assumption that all members of the GSA will be contacted and informed of the event within five days of the event. If such contact is not made, the officers have the ability to deny reimbursement.

A declination does not grant funding to the event. A declination occurs by default if the individual requesting funds is ineligible, the proposed event will break the law, or the officers do not reach an agreement within one week of receiving the request from the Treasurer. In this last case, the
requesting party may contact the Treasurer, obtain information regarding the decision process, and re-submit a funding request.

Possible reasons for declination include:

1. Failure to meet the eligibility requirements
2. Inappropriate event themes
3. Lack of planning
4. Insufficient GSA funds available

SECTION 4: REIMBURSEMENT PROCESS

The GSA member submitting the funding request is the only individual eligible for reimbursement. To receive reimbursement, this individual must provide proof of purchase via itemized receipts. Wesleyan University will not reimburse for space rental. Reimbursement will not exceed the funding amount granted in the allocation process. A reimbursement form, which can be found on the GSA website must then be completed, signed by the GSA Treasurer, and submitted along with the receipts to the Office of Graduate Student Services.

Note: The reimbursement form along with the receipts must be turned in no later than a month after the date of the event. Failure to comply may result in no reimbursement.

ARTICLE X – AMENDMENTS

SECTION 1: SUBMITTING AMENDMENTS

An amendment to this constitution can be submitted by any GSA member at any time throughout the academic year. Any individual wishing to submit an amendment should contact the GSA Vice President with their amendment in written form. This individual should also include adequate justification for proposing such an amendment.

SECTION 2: PROCESSING AMENDMENTS

Upon receiving a proposed amendment, the GSA Vice President shall contact other Executive Board members with all relevant details within 48 hours. The Executive Board has two weeks to discuss
the proposed amendment. During this time, any member of the Executive Board may contact the party proposing the amendment to obtain information relevant to the request. At the end of this discussion period, the GSA Executive Board must decide whether or not to bring this amendment to the GSA Council.

If the Executive Board passes this amendment to Council, then it will be ratified if at least 2/3 of the Council members vote in its favor. Otherwise, the amendment does not pass, no change to the constitution is made, and the party proposing the amendment may resubmit the amendment in the following semester.

If the Executive Board does not pass this amendment to the Council, then this amendment does not pass, no change to the constitution is made, and the party proposing the amendment can resubmit the amendment in the following semester.

**ARTICLE XI – ELECTIONS**

**SECTION 1: ELECTIONS COMMITTEE**

The GSA Executive Board is to form an Elections Committee from willing volunteers by the end of January following the announcement made by the GSA President (see Article VII). This committee shall be comprised of a minimum of two, maximum of three non-Council voting GSA members and shall exist only to perform the following duties:

1. Call for and manage nominations anonymously to fill the following GSA elected positions in the General Election: GSA President, GSA Vice President, GSA Treasurer, GSA Secretary, a Graduate Student Educational Policy Committee representative, BA/MA Liaison, International Student Liaison, Web Master, Liaisons for each of the Council Committees as described in Article V, and seven GCSB representatives.

2. Handle election ballots (including but not limited to preparing, printing, delivering, collecting, and absentee ballots)

3. Ensure the ballots are counted independently by at least two members of the Elections Committee

4. Publicly report the outcome of the General Election

5. Mediate post-election filling of positions as per Article VI, Section 1, and Article XI Section 2

6. Hold the filled ballots until June 1st after the General Election.
Members of the Elections Committee may not also be running for a position on the ballot.

SECTION 2: GENERAL ELECTIONS

GSA General Elections are to be held before the end of the second semester each academic year. In the event that an individual is elected to multiple positions, they default to the “highest” in the following hierarchy: President, Vice President, Treasurer, Secretary, BA/MA Liaison, Education Policy Committee representative, International Student Liaison, Housing Committee, Benefits Committee, Web Administrator, and GSCB. Any person who is elected to a Council Committee (Housing or Benefits) may hold one other non-Executive Board, non-Committee GSA Council position. Any person who holds two positions on the GSA Council still has only one vote on the GSA Council.

Although the Elections Committee shall draw up their own process to fill positions, the following guidelines are expected to be followed:

1. Any GSA member may run for any number of generally elected offices.
2. Individuals should be elected by a majority vote through an election open to all GSA members.
3. Every GSA member is entitled to one secret paper ballot that is to be filled out at the final All-GSA meeting of the academic year.

Persons wishing to vote but unable to attend the final All-GSA meeting for legitimate reasons such as travel or illness are entitled to an absentee ballot, which they must return to the Elections Committee within 48 hours of the final All-GSA meeting or their votes will not be counted.

SECTION 3: ELECTING DEPARTMENT REPRESENTATIVES

After the results of the General Election, each department which is not represented on the GSA Council is entitled to elect within itself a representative to be a voting member of the GSA Council. The Elections Committee will reach out to the appropriate departments upon knowing the results of the General Election. Departments have until two weeks after the first general GSA meeting in September to choose their representative. If a department fails to elect a Department Representative by the deadline, they waive their right to a Department Representative for that academic year.

Although departments shall draw up their own process to fill the position of Department Representative, the following guidelines are expected to be followed:
1. Any non-Council voting GSA member in the department who will be enrolled for the next full academic year may run for Department Representative.
2. The Department Representative must be elected by a majority vote through an election open to all and only GSA members of their department.

ARTICLE XII – TRANSITION

The sitting GSA Council is expected to hold a transition meeting when all positions in the General Election have been filled. The meeting minimally requires attendance from the sitting and newly elected GSA Executive Boards, and should include all sitting and incoming GSA Council members. The first day of the new GSA Council will be June 1st. The meeting should minimally include:

1. The handoff of relevant GSA materials and documents
2. A review of the budget and events for the coming academic year
3. Clarification of roles for incoming GSA Council members

ARTICLE XIII – IMPEACHMENT

SECTION 1: ELIGIBILITY

Any elected GSA officer may be impeached and removed from office.

SECTION 2: IMPEACHMENT CHARGES

Any GSA member may bring impeachment charges against any elected official at any time during the academic year. To do so, this individual must contact the GSA Vice President, provide the name of the officer they wish to impeach, and include a detailed explanation as to why the named officer should be removed from office.

Provided that the charges brought against the officer are legitimate, the GSA Vice President is to call a special Impeachment GSA Council meeting. Said meeting is to happen no later than two weeks after the charges have been received by the GSA Vice President. The GSA Vice President is also to inform the officer of the impeachment charges that have been brought against them.
In the case that charges are being brought against the GSA Vice President, the GSA Treasurer shall accept the charges and chair the impeachment proceedings.

SECTION 3: REMOVAL FROM OFFICE

During the special Impeachment GSA Council meeting, the GSA Vice President is to read to the entire Council the charges being brought against the officer. The officer under investigation shall then have time to respond to the charges. Any Council member is then permitted to question the officer facing removal. Once questioning has been completed, the impeached officer is to leave the meeting where the council is to vote on whether or not the officer is to be removed from office.

The officer shall be removed from office provided at least 2/3 of the Council members present vote to impeach.

SECTION 4: APPOINTMENT TO OFFICE

If a GSA official is removed from office, the President is responsible for appointing another GSA member to this office within two weeks of the original officer’s removal.
